- (1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.
- (2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.
- (3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.
- (4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts including advances for payment of prior and/or junior liens, required herein to be paid by Borrower and not paid by Borrower when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for Borrower's account. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.
- (5) All advances by the Government, including advances for payment of prior and/or junior liens, in addition to any advances required by the terms of the note, as described by this instrument, with interest shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.
  - (6) To use the loan evidenced by the note solely for purposes authorized by the Government.
- (7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipts evidencing such payments.
- (8) To keep the property insured as required by and under insurance policies approved by the Government and, at its request to deliver such policies to the Government.

- (9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandmanlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.
  - (10) To comply with all laws, ordinances, and regulations affecting the property.
- (11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.
- (12) Except as otherwise provided in the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.
- (13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.
- (14) The Government may (a) adjust the interest rate, payment, terms or balance due on the loan. (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance. (c) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (d) release any party who is liable under the note or for the debt from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.
- (15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate, or under any personal property or other, security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.
- (18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.
- (19) Borrower agrees that the Government will not be bound by any present or future State laws prescribing any statute of limitations or limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby waives, to the fullest extent Borrower may lawfully do so under State law, the benefit of all State laws (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, or (c) allowing any right of redemption or possession following any foreclosure sale. Borrower also hereby relinquishes, waives and conveys all rights, inchoate or consummate, of descent, dower, curtesy, and homestead.
- (20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, handicap, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, handicap, familial status or age.

- I (we) agree to the conditions set forth in this agreement for the repayment of the subsidy granted me (us) in the form of interest credits or Homeownership Assistance Program (HOAP) subsidy (hereinafter called "subsidy").
- I (we) agree that the real property described in the mortgage(s) listed above is pledged as security for repayment of the subsidy received or to be received. I (we) agree that the subsidy is due and payable upon the transfer of title or non-occupancy of the property by me (us). I (we) understand that the real estate securing the loan(s) is the only security for the subsidy received. I (we) further understand that I (we) will not be required to repay any of the subsidy from other than the value (as determined by the Government) of the real estate, mortgaged by myself (ourselves) in order to obtain a Section 502 Rural Housing (RH) loan.

(9-27-79) SPECIAL PN

FmHA Instruction 1951-I Exhibit A Page 2

- I (we) understand that so long as I (we) continue to own the property and occupy the dwelling as my (our) residence. I (we) may repay the principal and interest owed on the loan and defer repaying the subsidy amount until title to the property is conveyed or the dwelling is no longer occupied by me (us). If such a request is made, the amount of subsidy to be repaid will be determined when the principal and interest balance is paid. The mortgage securing the FmHA RH loan(s) will not be released of record until the total amount owed the Government has been repaid.
- 5 I (we) agree that Paragraph 6 of this agreement is null and void should the property described in the mortgage(s) be voluntarily conveyed to the Government or liquidated by foreclosure.
- 6 When the debt is satisfied by other than voluntary conveyance of the property to the Government or by foreclosure, I (we) agree that sale proceeds will be divided between the Government and me (us) in the following order:
  - (a) Unpaid balance of loans secured by a prior mortgage as well as real estate taxes and assessments levied against the property which are due will be paid.
  - (b) Unpaid principal and interest owed on FmHA RH loans for the property and advances made by FmHA which were not subsidy and are still due and payable will be paid to the Government.
  - (c) I (we) will receive from the sale proceeds actual expenses incurred by me (us) necessary to sell the property. These may include sales commissions or advertising cost, appraisal fees, legal and related costs such as deed preparation and transfer taxes. Expenses incurred by me (us) in preparing the property for sale are not allowed unless authorized by the Government prior to incurring such expenses. Such expenses will be authorized only when FmHA determines such expenses are necessary to sell the property, or will likely result in a return greater than the expense being incurred.
  - (d) I (we) will receive the amount of principal paid off on the loan calculated at the promissory note interest rate.
  - (e) Any principal reduction attributed to subsidized interest calculations will be paid to the Government.
  - (f) I (we) will receive my original equity which is the difference between the market value of the security, as determined by the FmHA appraisal at the time the first loan subject to recapture of subsidy was made, and the amount of the FmHA loan(s) and any prior lien. This amount is \_\_\_\_\_\_ and represents \_\_\_\_\_\_ percent of the market value of the security. (The

FaHA Instruction 1951-I Exhibit A Page 3

> percent is determined by dividing my (our) original equity by the market value of the security when the loan was closed.) The dollar amounts and percent will be entered at the time this agreement is signed by me (us) and will be part of this agreement.

(g) The remaining balance, after the payments described in (a) thru (f) above have been paid is called value appreciation. The amount of value appreciation to be paid to the Government, in repayment or the subsidy granted, is the lesser of (1) the full amount of the subsidy or (2) an amount determined by multiplying the value appreciation by the appropriate factor in the following table.

#### Average interest rate paid by me (us)

- (h) I (we) will receive the amount of value appreciation less the amount paid the Government as determined in (g) above. I (we) will also receive an additional amount in proportion to my original equity by reducing the amount of value appreciation due to the Government by the percent of my (our) original equity as shown in (f) above.
- (i) If I (we) am the recipient of HOAP, the amount of value appreciation to be recaptured will be calculated as if I (we) had paid I percent interest on the loan, unless the average interest rate paid by me (us) was greater than I percent. In such cases it will be determined based on the average interest rate paid by me (us).
- (j) If this agreement is for a subsequent loan(s) only, the amount of repayment determined in (g) above will be reduced by the following percent:

  . This percent will be determined by dividing the amount of the loan(s) subject to recapture by the total outstanding RH debt. This percentage will be entered at the time I (we) sign this agreement.
- (k) If this agreement is for more than one loan that is subject to recapture, the subsidy repayment computations will be based on the total subsidy granted on all loans.

(9-27-79) SPECIAL PN

FmHA Instruction 1951-I Exhibit A Page 4

- When a FmHA RH loan is repaid by other than foreclosure, voluntary conveyance, or sale of property, the amount of subsidy to be repaid the Government will be determined in the same manner as described in paragraph 6 of this Exhibit but based on the appraised value determined by FmHA instead of sales price. In such cases, the subsidy due the Government will remain a lien on the property until paid. It must be paid upon non occupancy, sale, or transfer of title to the property.
- 8 I (we) have read and agree to the provisions of this agreement.

#### REAMORTIZATION AGREEMENT

Account Number

.K8000003403- L8211000

DEffective Date
November 14, 2012

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 63000.00, plus interest on the unpaid principal of 7.25000% per year, executed by STEVEN M MORAN SR and DARNELL R MORAN (Borrower) dated October 14, 1993 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 56847.05.

In consideration of the reamortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 7.25000% per annum at \$ 541.48 per month beginning December 14, 2012 and on the 14th day of each succeeding month until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on October 14, 2026.

If the outstanding loan balance prior to reamortization was reduced by a payment which was later determined to be uncollectible, Rural Development will charge the account with an amount equal to the uncollectible payments. This amount is due and payable on the effective date it is charged to the account and may accrue interest at the promissory note rate.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

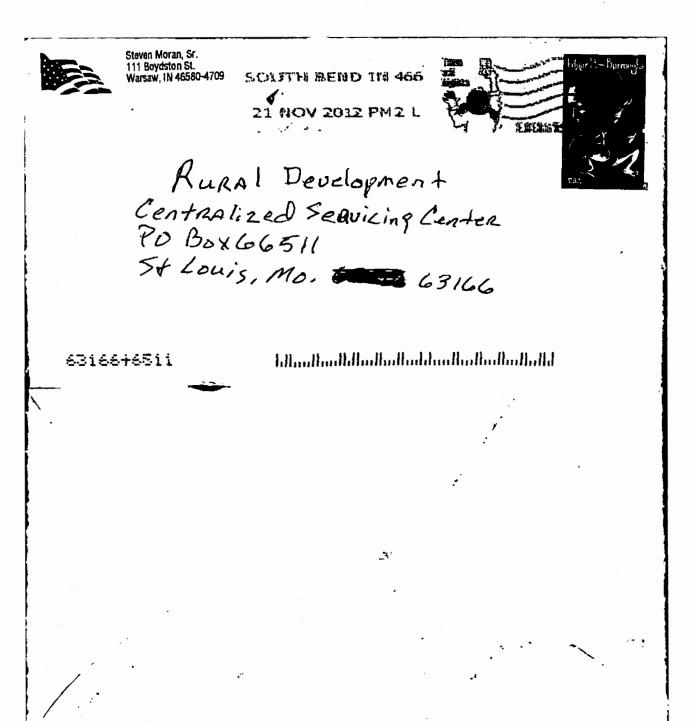

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.
